

The diagram illustrates a network system 100. At the top, an **INTERNET** (103) is connected to a **NETWORK SYSTEM SERVER** (202). The **NETWORK SYSTEM SERVER** (202) is connected to a **BASE STATION** (108). The **BASE STATION** (108) is connected via dashed lines to several **HOUSE**s (102A, 102B, 102C, 102E) and a **ROAD** (105). The **HOUSE**s (102A, 102B, 102C, 102E) are connected to the **ROAD** (105) via dashed lines. The **ROAD** (105) is connected to the **BASE STATION** (108) via a dashed line. The **BASE STATION** (108) is also connected to the **INTERNET** (103) and the **NETWORK SYSTEM SERVER** (202) via solid lines.
